## **Four-Hour Short Game School FAQs**

We are committed to conducting with best-in-class golf coaching and experiences.

See the information and FAQs below. Our HBGA professional coaches make learning fun and exciting. If you have any further questions or to register for a school, contact Katelin Hammett, PGA at [katelin@henrybrunton.com](mailto:katelin@henrybrunton.com) or 810.434.5938.

### ***Who is the Four-Hour Golf School Experience Intended For?***

- Course ready golfers – people who actively play golf and who want to improve their short game skills.
- Beginners, please contact us to register for our New 2 Golf Beginner Schools.

### ***What are the objectives of the Four-Hour Golf School Experience?***

- To have a fun and productive learning experience that leads to long-term development and improved performance.
- To teach and reinforce fundamentals and critical concepts for the set-up and desirable club delivery patterns for short game skills- putting, chipping, pitching, lob shots, and greenside sand play shots.
- To teach decision-making skills, routine, and strategies for short game shots.
- To provide each participant with specific feedback – key things that they need to do to improve after the school.

### ***What is the student: Coach Ratio?***

- 4:1 is the student: coach ratio
- This ratio enables us to provide constant attention and feedback to each participant throughout the school.
- We are committed to a first-class learning opportunity and experience for all participants.

**What is the size of a Four-Hour Short Game School?**

- The size of a school ranges from three to twelve people maximum.
- There is always a maximum 4:1 – golfer: coach ratio
- We are committed to providing a best-in-class experience.
