GOLF ACADEMY

New 2 Golf – Program for Beginners at Strawberry Farms *Adult Learning Program – No Experience or Clubs Required*

Henry Brunton Golf Academy, a world leader in golf coaching, is pleased to offer **New 2 Golf** – an adult learning program for people who want to learn to play the sport. No equipment or experience is required. Our coaches create a relaxed learning environment and support participants on their golf learning journey.

New 2 Golf is all about having fun while developing new players into confident and competent golfers. We are committed to providing a learning program that works. Our goal is to develop new enthusiasts into course-ready competent and confident golfers in time.

Our coaches create a generative learning environment and support participants -learn at their own pace- teach the fundamentals and provide feedback and guidance in acquiring the ball-hitting skills in all facets of the game. In addition, once basic skills are in place, we help participants learn all that is required to be able to play the sport- start transitioning to get you out learning on the course. To be course-ready, participants will learn the basic rules and etiquette – expectations of other golfers, the pace of play, and basic strategy and tactics. New 2 Golf participants have on-course sessions – transition to playing when basics and core skills have been learned. New 2 Golf is all about developing life-long golfers.
